MEMORANDUM

May 15, 1972

TO: Mr. Lawrence Kamakawiwoole, Director-Designate
Ethnic Studies Program

SUBJECT: PCC Action on ES Course Proposals

Larry:

Prior to its adjournment for the academic year, the Program and Curriculum Committee approved the modified proposals for ES 203 Caucasian Americans in Hawaii, 205 Black Americans, 320 Hawaii and the Pacific, and 380 Field Work in Ethnic Studies. The PCC added to the latter two the prerequisites "two 200-level ES courses." When Academic Development returns them, I'll send copies to you for the Program's files.

I'm sorry to report that PCC did not approve the proposals for ES 101, 121, 355 and 365. Revised proposals may be submitted when PCC resumes its normal business in the fall.

So that everyone's records are up to date, I've enclosed a summary that was prepared for Dean Contois. I hope it agrees with your own understanding of the Committee's actions.

Sincerely,

James Linn
Associate Dean
